| <b>Executive summary</b>               | <p>NEL NHS has allocated £2.271m funding over 3 years (£757k per year) to the Redbridge Placed Based Partnership (RPbP) to address Health Inequalities, with the programme running from August / September 2023 to July / August 2026. Project start time will be dependent on procurement / commissioning arrangements.</p> <p>To ensure a fair process the RPbP informed all partner organisations about the opportunity to bid for the funding with a deadline being set for 30<sup>th</sup> June 2023. This invite was extended to Redbridge CVS member organisations.</p> <p>In total 32 separate bids were submitted with a total 23/24 value of £1.565m against an allocation of £757k. The RPbP board delegated responsibility for evaluation and selection to a Health Inequalities steering group, which was formed. Each bid was scored against a set of criteria outlined by NEL ICB to ensure a consistent process across NEL place based partnerships.</p> <p>Alongside the scoring of the bids the Steering group discussed the target cohorts, value for money of each bid and the suitability, in relation to the Health Inequalities criteria. This was particularly relevant for bids based around staffing and infrastructure where there were potentially more relevant / appropriate funding options to pursue.</p> <p>Based on the evaluation process the steering group are proposing the following bids be funded for 23/24:</p> |

|   | Project  | Cohort           | 23/24 Cost |
|---|--|------------------|------------|
|   | Accessible information standards   | All Disabilities | £ 80,000   |
| Health Inequality Community Engagement programme                      | Infrastructure   | £ 20,000         |            |
| Udichi Health Awareness And Wellbeing                                 | Bangladeshi community  | £ 10,940         |            |
| Hainault Forest Community Association                                 | Cost of living and Mental Health - Hainault  | £ 5,700          |            |
| One Place East (OPE)  | Learning Disabilities  | £ 51,597         |            |
| Healthy Living Projects   | Homeless incl refugees and asylum seekers  | £ 43,048         |            |
| VCSE Leadership Project   | Infrastructure   | £ 42,500         |            |
| Healthy Living Healthy Lives  | Homeless   | £ 40,000         |            |
| Age UK  | Older adults   | £ 40,000         |            |
| Aldersbrook Stables   | Learning Disabilities  | £ 5,000          |            |
| Prediabetes - Exercise on referral                                    | Prediabetics   | £ 33,643         |            |
| Citizens Advice Bureau  | Cost of living   | £ 71,000         |            |
| Healthwatch Projects  | Community funding / Mental Health  | £ 30,000         |            |
| You and Me Counselling  | CYP - Mental Health  | £ 87,368         |            |
| Asthma and Allergy Friendly School initiative                         | CYP - Asthma   | £ 31,000         |            |
| Adanna Women's support group  | BAME women   | £ 13,627         |            |
| CVD Health promotion  | Cardiovascular disease   | £ 45,000         |            |
|   | <b>Total</b>   | <b>£ 650,423</b> |            |
|   | This leaves a contingency balance of £99k for the 23/24 financial year. Allocation of this balance and the subsequent 24/25 and 25/26 plans will be presented to the board in August.  |                  |            |
| <b>Action required</b>  | Board to agree Health Inequality 23/24 allocations   |                  |            |
| <b>Previous reporting</b>   | N/A  |                  |            |
| <b>Next steps/ onward reporting</b>                                   | <ul style="list-style-type: none"> <li>Continued review, assessment and agreement for 24/25 and 25/26 programmes.</li> <li>Informing partners of successful and unsuccessful bids</li> <li>HI Steering group to continue to oversee delivery of programmes including key outcomes</li> </ul>         |                  |            |
| <b>Conflicts of interest</b>  | N/A  |                  |            |
| <b>Strategic fit</b>  | <ul style="list-style-type: none"> <li>To improve outcomes in population health and healthcare</li> <li>To tackle health inequalities in outcomes, experience and access</li> </ul>  |                  |            |
| <b>Impact on local people, health inequalities and sustainability</b> | <ul style="list-style-type: none"> <li>Improved and increased access to services for residents</li> <li>Greater sustainability for local services, particularly in VCSE organisations</li> <li>Targeted interventions in areas of high deprivation, directly tackling Health Inequalities</li> </ul> |                  |            |

|   |   |
|---|---|
| <b>Impact on finance, performance and quality</b> | <ul style="list-style-type: none"> <li>· Current Section 256 agreements will need to be extended or new agreements put in place to enable the delivery of programmes</li> <li>· Governance processes are already in place from the 22/23 programme that includes evaluation and performance elements</li> </ul>   |
| <b>Risks</b>                                      | <ul style="list-style-type: none"> <li>· Commissioning and procurement processes, particularly in relation to smaller VCSE organisations need to be defined to ensure payment is aligned to proposed start dates.</li> <li>· Ensuring existing projects that are proposed to continue have robust evaluations of year 1 activity to inform any future commissioning.</li> </ul> |
