

Supporting Children, Young People and their families with informed decision making in having the COVID Vaccination

Application form

We are inviting applications from Voluntary and Community Sector organisations that specifically work with Children, Young People, and their families. Successful applicants will provide information and practical support to families so that they are fully informed in their decision making when it comes to the uptake of the COVID vaccination.

Grants of up to £7,500 are available for single organisations to support this very important piece of work
