

Apply to be a Care Coordinator

Neighbourhoods

An opportunity to deliver Anticipatory Care and Personalised Care in City & Hackney. Help people to remain healthy, independent and at home longer by providing community based support designed around what matters to them.

- Bring together different professionals across City & Hackney into regular **multi-disciplinary** team meetings.
- Make proactive contact with residents who have rising frailty
- Have **person-centered** discussions to develop trusted and **compassionate** relationships.

You should consider applying if you are:

- **Proactive & organised**
- A clear **communicator** with variety of professionals
- Confident at engaging with and **supporting residents**
- Enjoy working with a wide range of people
- **Caring, dedicated, reliable** and person focused
