

YOUR FEET AND DIABETES

A free online event from Diabetes UK

DATE Tuesday 11 October 2022

TIME 1.00pm - 2.30pm

WHERE: Zoom

Join Consultant Physician Dr Hema Heffernan MD(Res) FRCP as she explores what happens to your feet when you have diabetes, how to look after them and what to do if there's a problem.

This talk is open to people living with diabetes and healthcare professionals, and will include time for questions from attendees.
