#### Contents

1. Introduction
2. **Section 1:** Terms of reference for the Newham Health and Care Partnership Board (**'the Partnership Board'**)
3. **Section 2:** Terms of reference for the Newham Sub-Committee of the ICB (the **'Place ICB Sub-Committee'**).
4. **Annex 1:** Delegated ICB functions to be exercised at Place

## INTRODUCTION

1. The following health and care partner organisations, which are part of the North East London Integrated Care System ('**ICS**') have come together as a Place-Based Partnership to enable the improvement of health, wellbeing and equity in the Newham area ('**Place**'):
  - (a) Newham University Hospital ('**NUH**'), as part of Barts Health NHS Trust
  - (b) East London NHS Foundation Trust ('**ELFT**')
  - (c) London Borough of Newham
  - (d) Newham Health Collaborative
  - (e) The NHS North East London Integrated Care Board ('**the ICB**')
  - (f) Healthwatch Newham
  - (g) [Newham CVS - TBC]
2. 'Place' for the purpose of these terms of reference means the geographical area which is coterminous with the administrative boundaries of the London Borough of Newham.
3. These terms of reference for the Place-Based Partnership incorporate:
  - (a) As Section 1, terms of reference for the Newham Health and Care Partnership Board (the '**Partnership Board**'), which is the collective governance vehicle established by the partner organisations to collaborate on strategic policy matters and oversee joint programmes of work relevant to Place.
  - (b) As Section 2, terms of reference for any committees/sub-committees or other governance structures established by the partner organisations at Place for the purposes of enabling statutory decision-making. Section 2 currently includes terms of reference for:
    - The Newham Sub-Committee of the North East London Integrated Care Board (the '**Place ICB Sub-Committee**'), which is a sub-committee of the ICB's Population Health & Integration Committee ('**PH&I Committee**').
4. Section 2 contains arrangements that apply where a formal decision needs to be taken solely by a partner organisation acting in its statutory capacity. Where a committee/sub-committee has been established by a partner organisation to take such statutory decisions at Place, the terms of reference for that statutory structure will be contained in Section 2 below. Any such structure will have been granted delegated authority by the partner organisation which established it, in order to make binding decisions at Place on the partner organisation's behalf. The Place ICB Sub-Committee is one such structure and, as described in Section 2, it has delegated authority to exercise certain ICB functions at Place.

5. There is overlap in the membership of the Partnership Board and the governance structures described in Section 2. In the case of the Partnership Board and the Place ICB Sub-Committee, the overlap is significant because each structure is striving to operate in an integrated way.
6. All members of the Partnership Board or a structure whose terms of reference are contained at Section 2 shall follow the Seven Principles of Public Life (also commonly referred to as the Nolan Principles), which are: selflessness, integrity, objectivity, accountability, openness, honesty and leadership.
