The Experience of GP Services

A trends analysis report by Healthwatch Hackney

Healthwatch is the official consumer champion for users of health and social care services. We listen to people's stories, go od and bad, and report on their collective experience. In this report, we examine the experience of local GP services.

Reporting Period: 1 July 2023 - 30 June 2024

Index and overview of findings

Data Source (Page 4)

This report is based on the experience of 2,248 people. Feedback has been obtained from a variety of sources, including engagement, surveys and comments posted online (NHS, Care Opinion and social media).

Top Themes (Page 5)

The vast majority of people receive good quality, compassionate treatment and care, with good levels of support and involvement. According to feedback, patients would like greater levels of service access.

Overall sentiment is 81% positive, 17% negative and 2% neutral.

Trends...

According to feedback, overall satisfaction has improved by 2% this quarter.

Richmond Road Medical Centre, The Lawson Practice and Spring Hill Practice receive a notable volume and ratio of positive comments.

Service Access (Page 6)

People continue to report difficulties with telephone access, associated problems with booking, and longer than expected waits for routine appointments.

Trends...

Satisfaction on service access has declined by 1% this quarter, comments suggest. Complaints are up by 12% on telephone access and by 4% on ability to book appointments, while down by 2% on waiting times.

Richmond Road Medical Centre receives a notable volume and ratio of positive comments.

Clinical Treatment and Staff Attitude (Pages 7-8)

Experiences indicate the vast majority of people receive good quality, compassionate treatment and nursing care, with good levels of involvement and support. Ability to see a clinician in person (choice) is an issue for some.

Trends...

This quarter, complaints are down by 1% on staff attitude and on treatment and care.

Richmond Road Medical Centre, The Lawson Practice and Spring Hill Practice receive a notable volume and ratio of positive comments.

Administration and Communication (Pages 9-10)

Many people complain of general administration, and some would like greater levels of support from reception staff, and levels of communication service wide. The ability to obtain test results and staff training are also cited as issues.

Trends...

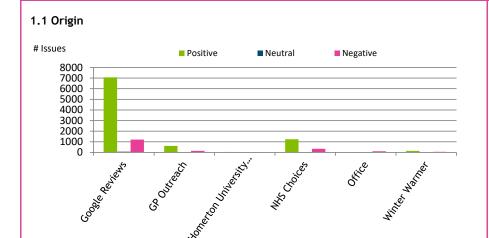

Complaints are up by 2% on communication, while down by 1% on administration.

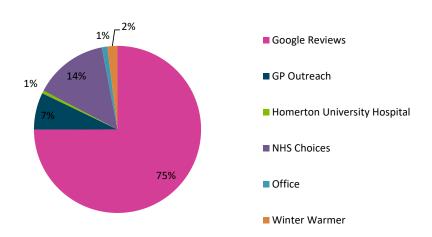

Richmond Road Medical Centre, Spring Hill Practice and Trowbridge Surgery receive a notable volume and ratio of positive comments.

Disclaimer: The trends within this report are based on service user comments we have obtained from sources outlined on Page 4. Comments obtained from these sources may not be representative of all service users experiences or opinions.
